Docket No. 98N-1265 4590 '99 MAY 20 AM 36

Food and Drug Administration

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: I am very concerned that the FDA is trying
to limit all specialized pharmacies. My greatest
concern is that my pharmacy, Jackson
Pharmacy Associates in WI will be prohibited
from shipping the individually compounded
medications that I desperately need across state
lines. Living in the foothills of eastern KY,
this pharmacy is my only access to this compound.
